DRIVER QUALIFICATION

Driving Licence: Renters and Extra Driver must produce their own driving licence issued in their country of residence, held for a minimum of 4 years.

Renters from the United Kingdom need to produce a print out of the details on part two of their licence from the DVLA website which will detail any endorsements they hold on their driving record. This should be done prior to arrival.

All other licences

Driving license printed with non Roman Alphabet (Arabic, Japanese, Cyrillic etc) must be complemented by an International driving license. For driving licenses from countries not part of the Geneva/ Vienna Convention on Road Traffic (e.g. China), a Self-Translation Form provided by Sixt must be presented with the original license. [link to Self-Translation Form](#)

Driving Experience: Minimum of 4 year's accident free driving with a Full Licence and *holding a Motor Insurance Policy in own name, immediately prior to rental.*

Driving Convictions: Renters who have been convicted of a major driving offence in the past five years will not be accepted.

Driver's Age: Sixt does not discriminate on the basis of age. We discriminate on a renter's ability to drive at any age.

Renters under 25 must produce a note from their insurance company showing that they have been driving accident free for the past five years.
 Drivers over 75 must produce a doctor's note confirming that they are fit to drive in Ireland.
 If these documents cannot be presented, a rental with Sixt Ireland is not possible.
 Renters under 25 and over 75 have a statistically higher risk of accidents in Ireland.
 Drivers of any age may be subject to a pre rental driving ability assessment to ensure they are suited to the rented vehicle.

Additional Requirements for walk up rentals on premium and high performance vehicles

Additional security conditions apply for the following vehicle groups: SDAR, FDAR, PDAR, LFAR, FVAR, LVAR, XFAR.
 The renter must provide their passport, a credit card, either another credit card in the name of the main driver or a proof of address (e.g. Utility bill, bank statement) issued within 2 months preceding the start of the rental.

PAYMENTS

Prepay: Rentals must be paid in full prior to commencement of rental.

INSURANCE WAIVERS AND PROTECTIONS

Insurances, Waivers, Protections Issued by Others: Sixt rent a car only recognize insurances, waivers, protections supplied by Sixt rent a car or by an Irish based insurance company. Insurances and covers issued by others will also be recognized if renter provides a

letter from insurance/cover provider specifically stating that cover is in place in Ireland for the booked vehicle.

Caution: “Insurances”, Waivers, or Protections issued by Companies outside of Ireland do not apply to the rental vehicle, there is no direct cover arranged with Sixt rent a car. Whatever arrangement that exists is between the renter and the issuing Company. Renter should be cautioned that most of these products are not Insurance but Reimbursement Schemes and the renter is fully liable for damages to the rental vehicle and all associated costs. Renter must pay the rental company for the damages up to the value of the vehicle and later pursue the issuer of the Scheme for reimbursement. It should also be noted that these schemes do not always pay the full amount. Sixt rent a car recommends that insurances waivers and protections be purchased direct from Sixt rent a car for maximum protection.

Without Insurances, Waivers, Protections supplied by Sixt rent a car or supplied by an Irish based Insurance Company, the renter is **Totally Responsible for**, and must pay Sixt rent a car directly for, all damage to the rental vehicle irrespective of how it is caused and irrespective of who is at fault.

Sixt rent a car permits renter to decline Waivers, Protections and Covers offered by Sixt rent a car.

If renter declines Waivers, Protections and Covers offered by Sixt rent a car, and renter does not transfer cover by an Irish based Insurance Company, then renter personally assumes total financial responsibility for damage to or loss of the rental vehicle and will be charged by Sixt rent a car for all damage to or loss of the rental vehicle.

In this instance the renter must provide a deposit to the full value of the car

Renter Providing Credit Card Coverage To Decline CDW: Renter must provide written proof at commencement of rental that the renter’s credit card scheme is valid in the Republic of Ireland, for the type of vehicle being rented.

In this case, the renter is liable for the full value of the vehicle, and will be required to leave a Pre Authorisation of €5,000.

Pre Authorisation is held as a guarantee for renter’s commitment to pay for damage to or loss of the rental vehicle
