DRIVER QUALIFICATION

Driving Licence: Renters and Extra Driver must produce their own driving licence issued in their country of residence, held for a minimum of 4 years.

Renters from the United Kingdom need to produce a print out of the details on part two of their licence from the DVLA website which will detail any endorsements they hold on their driving record. This should be done prior to arrival.

All other licences

Driving license printed with non Roman Alphabet (Arabic, Japanese, Cyrillic etc) must be complemented by an International driving license. For driving licenses from countries not part of the Geneva/ Vienna Convention on Road Traffic (e.g. China), a Self-Translation Form provided by Sixt must be presented with the original license. [link to Self-Translation Form](#)

Driving Experience: Minimum of 4 year's accident free driving with a Full Licence and *holding a Motor Insurance Policy in own name, immediately prior to rental.*

Driving Convictions: Renters who have been convicted of a major driving offence in the past five years will not be accepted.

Driver's Age: Sixt does not discriminate on the basis of age. We discriminate on a renter's ability to drive at any age.

Renters under 25 and over 75 must produce a note from their insurance company showing that they have been driving accident free for the past five years.

Drivers over 75 must also produce a doctor's note confirming that they are fit to drive.

Renters under 25 and over 75 have a statistically higher risk of accidents in Ireland and may be subject to a driving ability assessment test on commencement of rental.

If these documents cannot be presented, a rental with Sixt Ireland is unfortunately not possible.

Any drivers in this category should have alternative transport arrangements made in advance should they be unsuccessful in the driving ability assessment test.

Drivers of any age may be subject to a pre rental driving ability assessment to ensure they are suited to the rented vehicle.

Additional Requirements for walk up rentals on premium and high performance vehicles

Additional security conditions apply for the following vehicle groups: SDAR, FDAR, PDAR, LFAR, FVAR, LVAR, XFAR.

The renter must provide their passport, a credit card, either another credit card in the name of the main driver or a proof of address (e.g. Utility bill, bank statement) issued within 2 months preceding the start of the rental.

PAYMENTS

Prepay: Rentals must be paid in full prior to commencement of rental.

Sixt CarExpress Servicecard (Advantage Circle) is only accepted in combination with a valid Credit Card.

Please note, that payments with credit card may require the PIN of the credit card

Security Commitment - Credit Card: Renter is required to leave a security commitment at commencement of rental. A Credit Card Belonging to The Renter Is Mandatory to Process a Security Commitment. Pre-Paid Credit Cards, Debit Cards, Cheques, and Cash are NOT acceptable as a security commitment.

Another Person's Credit Card: With prior approval from a manager a credit card, belonging to another person, who must be present at time of rental with photo id (passport) and address verification (recent utility bill) may be used. Credit card information will be recorded in compliance with Irish Data Protection Laws. The Credit Card Holder must sign the rental agreement and agree to all terms.

Credit Card Pre Authorisation: A Pre Authorisation of a minimum of €300.00 or up to Insurance/Waiver Excess amount will be processed at commencement of rental. The card holder must agree to the terms and conditions and sign the rental agreement. A Pre Authorisation will be held on the credit card and this Pre Authorisation will not be processed if there are no additional charges or driving violations (rental extensions, damage, parking, speeding tickets, tolls or any other charges due under the terms of the rental agreement).

Release of Credit Card Pre Authorisation: Pre Authorisation will be released by the Credit Card holder's own bank. Sixt rent a car will not be responsible for expediting the release of any un-processed Pre Authorisation.

SPECIAL CONDITIONS FOR SOME CREDIT/DEBIT CARDS

Some Credit Cards may operate as Debit Cards in Ireland. Confirmation of card status (Credit or Debit) will be determined at time of rental in Ireland. **Renters should contact their bank in advance to check if this process applies to their Credit Card.**

In the event where normally a Preauthorization Deposit is placed on a Credit card, the procedure will change to allow the Deposit Amount to be charged to the Debit card. A Bank Charge and Administration fee of 5% of the Deposit Amount will be charged to the customer.

Provided there are no additional charges or vehicle damages, the amount, less the 5% bank fee, will be refunded to the Debit Card within a minimum of 10 working days after vehicle return.

INFORMATION ON PROTECTION PACKAGES AND EXCESS LEVEL AMOUNTS WHEN THE CHANGE FROM A CREDIT CARD TO A DEBIT CARD HAS BEEN CONFIRMED

Deposit amounts placed on debit cards will be processed in conjunction with our current excess levels depending on the protection package applied to the rental. We recommend choosing our Super Top Cover to minimize liability and deposit required.

COVER:	Cost Per Day in addition to contract*	Deposit amount*
BASIC CDW PACKAGE:	Included	€1,500 to €3,000
TOP COVER	€16 to €23	€300 to €1000
SUPER TOP COVER	€31 to €38	€300 to €500

* depends on vehicle category

For more information on the price and excess level applied to your rental vehicle, please refer to below table

INSURANCE WAIVERS AND PROTECTIONS

Insurances, Waivers, Protections Issued by Others: Sixt rent a car only recognize insurances, waivers, protections supplied by Sixt rent a car or by an Irish based insurance company. Insurances and covers issued by others will also be recognized if renter provides a letter from insurance/cover provider specifically stating that cover is in place in Ireland for the booked vehicle.

Caution: "Insurances", Waivers, or Protections issued by Companies outside of Ireland do not apply to the rental vehicle, there is no direct cover arranged with Sixt rent a car. Whatever arrangement that exists is between the renter and the issuing Company. Renter should be cautioned that most of these products are not Insurance but Reimbursement Schemes and the renter is fully liable for damages to the rental vehicle and all associated costs. Renter must pay the rental company for the damages up to the value of the vehicle and later pursue the issuer of the Scheme for reimbursement. It should also be noted that these schemes do not always pay the full amount. Sixt rent a car recommends that

insurances waivers and protections be purchased direct from Sixt rent a car for maximum protection.

Without Insurances, Waivers, Protections supplied by Sixt rent a car or supplied by an Irish based Insurance Company, the renter is **Totally Responsible for**, and must pay Sixt rent a car directly for, all damage to the rental vehicle irrespective of how it is caused and irrespective of who is at fault.

Sixt rent a car permits renter to decline Waivers, Protections and Covers offered by Sixt rent a car.

If renter declines Waivers, Protections and Covers offered by Sixt rent a car, and renter does not transfer cover by an Irish based Insurance Company, then renter personally assumes total financial responsibility for damage to or loss of the rental vehicle and will be charged by Sixt rent a car for all damage to or loss of the rental vehicle.

In this instance the renter must provide a deposit to the full value of the car

Renter Providing Credit Card Coverage To Decline CDW: Renter must provide written proof at commencement of rental that the renter's credit card scheme is valid in the Republic of Ireland, for the type of vehicle being rented.

In this case, the renter is liable for the full value of the vehicle, and will be required to leave a Pre Authorisation of €5,000.

Pre Authorisation is held as a guarantee for renter's commitment to pay for damage to or loss of the rental vehicle
